Re: U.S. Patent Application No. 09/534,376
Title: "Vascular Endothelial Growth Factor C (VEGF-C) Protein
and Gene, Mutants Thereof, and Uses Thereof"
Our Ref.: 28967/34140A

Dear Examiner O'Hara:

Further to our conversation earlier today, we are attaching copies of Response to Restriction Requirement and Information Disclosure Statement with Form PTO-1449 that we transmitted for filing on September 21, 2001 in the above-identified case. If the original response was never matched with the file, we fear that the cited references may have been lost. The parent case, U.S. Application Serial No. 09/355,700 should contain most or all of the cited references. Please telephone if you need us to submit duplicate copies.

Sincerely,

David A. Gass
